# INTRODUCTION

This International Joint Conference was initiated by Universitas Ubudiyah Indonesia (UUI) Indonesia in collaboration with Universiti Malaysia Perlis (UniMAP) Malaysia, Mahasarakham University (MU) Thailand, Philippine Normal University Philippines as members of Asian University Presidents Forum (AUPF). The conference is held annually at different place as with different host and worked with several distinguished journals indexed for publication, aims to bring together researchers, scientists, engineers and scholar students to exchange and share their experiences, New ideas and research result about all aspects of Drugs, Social Science and Technology and discuss the practical challenges encountered and the solutions adopted.

The Conference was a continuation of a successful International Joint Conference of Indonesia-Malaysia-Bangladesh-Ireland (IJCIMBI) Implemented in 2015 that brings participants from several countries who presented all fields of science.

## OBJECTIVES

To invite all researchers and professionals from universities, industry and public sector to share experiences and knowledges concerning Drugs, Social Sciences and Technology.

To increase the participation of the scholars from Indonesia, Malaysia, Thailand and Philippines within an international forum.

To motivate researchers in conducting research that can promote change and development in the field of Drugs, Social Sciences and Technology.

As a means of scientific paper publication that will be recognized both nationally (ISBN & ISSN Journal) and international.
